These monthly meeting records were abstracted from the originals in the 1930's by W. W. Hinshaw of Washington, D. C.

After Hinshaw's death, the unpublished material was deposited at the Friends Historical Library, Swarthmore College, Pennsylvania. This collection is known as the William Wade Hinshaw Index to Quaker Meeting Records.

The following record has been transcribed from a microfilm copy of this Index. As this copy is several generations removed from the original - doubtful entries should be verified by checking the original record books.

These books (or microfilm copies) may be found in the Friends Historical Library.
